

Mungallala Community Consultation

What is your vision, goal or aspiration for your town and surrounds?

Community Comments (As submitted by the Community)	Clarification	Theme 1 - Community Life	Theme 2 - Active Healthy Community	Theme 3 - Naturally Sustainable Environment	Theme 4 - Community Place Making	Theme 5 - Maranoa on the Move	Theme 6 - Foundations for the Future	Theme 7 - Progressive, Inclusive & Strong Local Leadership
Transport for ageing community to larger centres.	Community would like to see a Community bus for people to access.	x						
Better footpaths.		x						
Create Recreational water body.		x						
Cultural Integration @ School.		x						
Green Area (Lawns).		x						
Access to Facilities.	Keys to council facilities are not available locally.	x						
Holiday movies in the hall? Kids suitable.		x						
Screens at hall. New sealable door at hall (rear).	CR 38220 has been logged to address this	x						
School.	Worried about the future of the school due to lack of enrolments.	x						
Good drain's Redford Street.	Safe access from road to amenities - Vehicles bottom out.	x						
Grade to rec accesses Bourke Street.	CR 38218 has been logged to address this.	x						
Bitumen access to town emergency evacuation point.		x						
Roads in town that flood to be built up and drained properly. E.g., Charleville St, James Street and railway rd.		x						
Size.	Population size is small and not growing.	x						
Childcare.	There is a lack of Childcare within the town.	x						
Housing.	The quality of housing is not up to standard.	x						
Playground.	Playground in hall precinct.	x						
Recognition of part of region.	The Community feels left out of region.	x						
Develop cobb and Co and Van park.	The Cobb and Co park has a need for public showers.	x						
Fix drainage and roads not just in town.		x						
More signs along Highway to inform what is available.	More signs to give people more of a reason to stop.	x						
Small population.		x						
Accommodation (Housing for workers) more workers living local.		x						
Better working opportunities for locals.								
Prevent dirty water after power cut or low pressures.				x				
Town water supply ageing.				x				
Chesterton National Park (Mt Mobil Homestead) - Tourism opportunity.				x				
Locals being involved in community improvements. Input in ideas and creations.					x			
Locals employed by council to do community chores/work.	Local plant and Machinery hired from Mitchell Mungallala area rather than broader Maranoa				x			
Upgrade town water pipes. Old pipes cracking and losing water.				x				
Proper footpaths.					x			
Uninviting appearances. E.g. untidy, no green park areas, BBQ, campsites not up to scratch. BEST - Hall and rec areas.					x			
Signage for dump point closer to town.					x			
Transport to sports for students.	Transport service for sporting events in Mitchell/ Roma so that Students can attend.		x					
Sporting opportunities.	More sporting opportunities within the Community.		x					
Bottle trees either side of the Highway crossing should be relocated (Visibility issues).	CR 38127 has been logged to address this.		x					
Greater exposure to sports (Range).			x					
Dancing.	Would like dance classes for children.		x					
Community Exercise opportunities / Facilities.			x					
Advanced warning signage's for amenities.	Would like to see advanced warning signs on the highway for public amenities.				x			
Potential for river environment.	Would like a walking trail along the river area.			x				
Watering system for community gardens.			x					
Create body of water.				x				
Improvement to water ways.				x				
Better access to emergency evacuation point.	Keys to council facilities are not available locally.				x			
Landscaping for entrance.	Would like to beautify the town entrances.				x			
Continual consultation with council on community issues.					x			
Better access for vans in and out at shower/ Toilets.					x			
Signage for roads projects.	Project information signs for road projects within the area.					x		
Great ideas - daunted by too many hoops to get through.					x			
Roads traveling north. Logging trucks / traffic.	More road maintenance on well used routes.					x		
No freight service QLD Rail.						x		
More vigilant, be preventative rather than reactive.						x		
Pedestrian crossing and speed reduction.	Would like pedestrian crossing and a speed reduction on the highway through town.					x
